Watermark Announces Acquisition of Belanger & Foley

Lowell, MA (July 1, 2009) –

Watermark is pleased to announce the asset acquisition of Belanger & Foley, Inc., a leading professional Architectural, Planning and Engineering firm. The move affords both companies the opportunity to better serve existing clients by offering a more comprehensive menu of services, through a larger complement of qualified professionals who are focused on delivering projects with the highest commitment to safety and quality.

Founded in 1994, Belanger & Foley, Inc. has provided professional architectural, planning, and engineering services to hundreds of clients in Massachusetts and southern New Hampshire under the guiding principles of Commitment - Quality - Community. All Belanger & Foley employees, including principals Gerald Foley and Philip Belanger, will be joining the Watermark team.

Watermark President John Haley is pleased “to have individuals with the stature and qualifications of Gerry and Phil join our team” and also that with the asset acquisition of Belanger & Foley, “Watermark can now take a client’s project

completely from an idea through design, construction and into operation with the highest commitment to safety, detail, timeline, quality and budget”.

Watermark provides A/E Design & Professional Services, Construction & Remediation and Operation & Maintenance Services in the markets of Environmental, Buildings & Facilities and Infrastructure for Federal, State, Municipal and Private Clients.

Watermark’s Corporate Headquarters is located in Lowell, MA with an office in Hanover, MA and coming soon, our Mid-Atlantic Region Office.
